

7th ISS American Stereology Course

Inn by the Sea at La Jolla, California, USA

April 5-10, 2003

This six-day course, approved by the International Society of Stereology, will provide a practical and theoretical introduction to recent advances in stereology

The Course

- Will improve participants' skills in experimental design and in the application of statistical methods seen from a stereological point of view.
- Will provide ample opportunity for discussions between participants

The Instructors

Robert T. DeHoff, Dallas M. Hyde, Hans Jorgen G. Gundersen, Jens R. Nyengaard, and Bente Pakkenberg

The Hotel

The newly renovated Inn by the Sea is nestled in the heart of La Jolla, internationally known as one of the most fashionable and picturesque resort areas in the world. Guests can enjoy a pleasant walk to the beautiful beaches, over 50 restaurants, hundreds of shops, and over 4 dozen fine art galleries.

RATES: Special room rates for this meeting \$109 per night (plus \$7/day for parking).

RESERVATIONS: Call 800-462-9732 for hotel reservations. Mention that you will be attending this course to receive the special room rate.

This course is limited to 25 participants and will fill up fast. Please return this completed form with your payment today!
