

Application Questions

Demographics

- First Name
- Last Name
- Email
- Institution
- Department
- Current Title (For example: Lecturer (including sessional and part-time contracts), Assistant Professor, Associate Professor, Professor, Doctoral Student/Candidate, Master's Student/Candidate, Post-doctoral Researchers, Undergraduate Student, other)
- Student Populations you Currently Teach (For example: undergraduate, graduate, allied health care, medical, continuing education, other)
- Years of Experience in Education Research. This includes your number of years of graduate training if the training included education research

Topics Of Interest

The nature of the unconference structure allows for participants to actively engage in the selection of topics that will constitute the Anatomy Education Research Unconference event program. As a group, we will collectively complete an on-site election of popular topics that will finalize our agenda for the day! To prepare for this voting process, we want to hear from you.

- What are some topics within the broad field of anatomy education research that you would like to learn more about? (open text box)
- What are some topics within the broad field of anatomy education research that you would be able to share your own experiences / expertise with others? (open text box)

Description of Intended Research Project (max. 1 page)

Participants of the AnatEd Unconference are expected to attend the event with an intended research project in mind. It is NOT expected that this project will be fully refined; in fact, it is our hope that topics covered at the AnatEd Unconference and your interactions with other participants will greatly inform your research design.

With this in mind, please provide a description of your intended research project. We suggest copy/pasting from a word file so that the length of this description can be limited to a maximum of 1 page (approx. 3000 characters or approx. 500 words).

Although not required, you may want to consider using some of the following headings to organize your description.

1. Rationale
2. Research Goal(s), with hypothesis(es), if appropriate
3. Proposed Methodology
4. Proposed Approach to Consent and Ethical Considerations
5. Proposed Analysis
6. Anticipated Pitfalls, with proposed plan to overcome these

Student Travel Award Consideration

We will be considering attending **students** for \$100 CAD travel award. Would you like to be considered for the travel award draw?

(two tick boxes)

- Yes, I am a student and would like to be considered for a Travel Award of \$100 CAD
- No, please exclude me from consideration

Commitments

We are expecting participants of the AnatEd Unconference to be actively engaged, both during the event on June 3 and in providing feedback to event organizers. As such, we ask that you provide your commitment to the following three items:

- I understand that I will be expected to be an active participant on the day of the AnatEd Unconference.

- I understand that I will be invited to complete a post-event survey designed to learn more about my experiences at the AnatEd Unconference.
- I understand that I may be invited to participate in a follow-up interview where I can share more about my experiences at the AnatEd Unconference (timeline of ~ 6 months following the event).
