

To request Emeritus status, please send the following letter to AAA via mail, fax, or email:

AAA Emeritus Request
9650 Rockville Pike
Bethesda, MD 20814
301-634-7965 (fax)
info@anatomy.org

Dear AAA,

I would like to change my membership status from that of a Regular Member of The American Association of Anatomists to that of an Emeritus Member of the Association. I confirm that I meet the following criteria for AAA Emeritus status (check all that apply):

- I have been an AAA member for at least 10 consecutive years. (This criterion must be met or you will not be considered for Emeritus status.)
- I have formally retired from an academic or other professional position.
- I am no longer gainfully employed.
- I have no active or anticipated research funding.
- I am disabled and no longer able to work.

I understand that, while there is no cost to be an Emeritus Member, some AAA journals have an annual subscription charge. If I am approved for AAA Emeritus status, I would like to receive the following AAA publications:

- AAA Newsletter* (no charge; print+electronic)
- Anatomical Sciences Education* (no charge; electronic only)
- Developmental Dynamics* (\$40/year; electronic only)
- The Anatomical Record* (\$45/year; electronic only)
- The Anatomical Record* (\$65/year; print+electronic)

Thank you for considering my request for Emeritus status. If approved, I will submit any required payment for the journal(s) that I have selected.

Sincerely,
